

**2024 Italian Golf Challenge Cup, sponsored by 24K Wealth.  
Saturday 12<sup>th</sup> – Monday 14<sup>th</sup> October 2024**

**TEAM NOMINATION - REGISTRATION OF INTEREST**

The IGC Sydney will be hosting the 2024 **Italian Golf Challenge Cup** to be held at Twin Creeks Golf & Country Club and Concord Golf Club with accomodation and social events at the Shangri La Hotel located at 176 Cumberland Street Sydney.

With the recent inclusion of Western Australia team sizes have been reduced from 36 to 28 making it difficult to accomodate everyone wishing to attend. That said opportunites will exist for us to fill additional spots in the event other states do not have a full team. We are seeking expressions of interest from our members for Sydney team. Below are the details of the event with a nomination form. I would also like non-playing members to participate in the social activites as these are memorable events in their own right.

## **Italian Golf Challenge Cup Selection Criteria**

Dear Members,

IGC Sydney will once again participate in the **Italian Golf Challenge Cup 2024** to be held in Sydney this year.

Each State IGC is limited to a team size of 28 players to contest the 2-day competition reduced from 36 since the introduction of Western Australia. This is simply due to the maximum number of players we can fit on a golf Courses under shotgun conditions is 140.

Obviously, this creates a problem for a strongly supported club like Sydney, as many more than 28 will more than likely make themselves available.

What has also happened at recent events is not all states field a full team and backfilling to have the full 140 starters is done by the host state. With that in mind we want to make the opportunity available to as many member members as possible.

In the event we are oversubscribed with nomination The Board has decided to implement a selection criteria over a first in basis. This selection criteria will be based on: -

- Previous **Italian Golf Challenge Cup** participation
- Participation in club events
- Scoring averages (after all it is a competition)

We urge members to support this event as a golfer and/or equally importantly as a social participant at the non-golfing functions.
