A reminder to all members that the 2024 Italian Golf Challenge Cup will be hosted by IGC Sydney and will be held from 12th to 14th October 2024 at Twin Creeks and Concord Golf Clubs. Further details will be issued shortly.

If you are looking to participate, please advise myself (Sam Q) or Vince Petitto to register your interest. After several disappointing results in previous years the time has come to turn our fortunes around on "our" home tracks. Our team will comprise of 28 players however to make a full field of 140 players we will most likely need to supplement players should other states be unable to field a full team of 28. In fairness to those loyal members, previous year challenge cups as well as club game participation will be a consideration in the final team selection.

Good Health and good golfing to all,

Sam Quagliata

ACT NOW TO HELP SAVE MOORE PARK GOLF COURSE!

On Sunday 25th February 2024 the NSW Government released its Discussion Paper that outlines their decision to remove up to 9 holes and repurpose the western side of Moore Park Golf Course on the north of Dacey Avenue to public open space.

Support our campaign to keep Moore Park Golf Course as a publicly accessible, 18-hole Championship course.

The NSW Government plans to take half the golf course because they allowed developers to build multi story apartments without providing green space. The fact is there is already green space in the Centennial Park complex.
